Bart:

The supplemental production remains woefully insufficient and incomplete. For example, we have not received any of the text message communications between your client and Mr. Sykes-Bonnett, Mr. Martinson or any other individuals. Likewise, the email production is lacking in several material respects. Finally, your objections in the amended responses remain improper. Do you anticipate another supplemental production?

Finally, please advise regarding available dates for Mr. Cannata's deposition in late November, December and January. Thank you.

Andrew
